

NWCSI

10.06.23 OCTOBER EVENT

9AM - 3PM @ Mount Vernon Christian

Morning K-12 Session:

Effective Technology Integration Using Canva for Education

Learn how to use this free and extraordinary digital design tool to take classroom learning to the next level. All participants will need to bring their own laptop.

Afternoon K-5 Session:

Grade Level Collaboration

Learn, share ideas and strategies, and build a supportive community that enhances student learning in your classroom.

Afternoon 6-12 Session:

The Rise of AI in Education: Exploring the Challenges and Opportunities

Discover some of the potential benefits and obstacles with the increasing use of AI in education. By working together, educators will gain practical experience with AI tools and participate in meaningful dialogues on classroom policies related to the use of AI.
