# 10.21.22 OCTOBER EVENT

9AM - 3PM @ Mt. Vernon Christian

## Teaching Christianly

Explore with fellow Christian colleagues the Deeper Learning movement that is happening within Christian education; a movement in which the people of God's redemptive Story, teachers and students, are being invited and empowered within learning that forms them while shaping God's world. We hope you join us as we continue to root ourselves within the beautiful work of Christian education.
